**SUPPLEMENTAL DISCLOSURE UNDER RULE 1.56**

Assistant Commissioner  
for Patents

**RECEIVED**

JUN 17 2002

Dear Sir or Madam:

**Technology Center 2600**

Submitted herewith in accordance with 37 CFR § 1.56 is a supplemental disclosure on form PTO/SB/08A of the pertinent art of which the applicant and attorneys of record have knowledge, along with copies thereof to facilitate examination by the Examiner. The references submitted herewith were uncovered as a result of a recent patent search conducted by the Applicant. It is the opinion of the Applicant and undersigned that each of the claims presented in the instant application are patentably distinguishable over the submitted references.

European Patent Application No. EP0418708B1 and Japanese Patent Publication No. 06285786JP are both non-English documents; however, English abstracts are provided for each. As presently understood by the Applicant and undersigned, European Patent No. EP0418708B1 discloses an apparatus and process utilized for the remote-controlled positioning of an inspection device relative to an object under inspection through the use of a camera device.

Japanese Patent Publication No. 06285786JP similarly utilizes a camera positioned in the vicinity of a robot to control the robot operation, whereby the camera's relative position to the robot is

maintained irrespective of the working range of the robot. Again, none of such patents, either alone, or in combination, are believed to anticipate the claims of the instant application.

In accordance with 37 CFR § 1.97(h), the filing of this Information Disclosure Statement is not to be construed as an admission that any references or combination of references cited herein is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Applicant's submission of this Supplemental Disclosure Statement is believed to be timely in that it has not yet received a first Office action on the merits of the case. In the event there is a required fee for submission of this Disclosure Statement, the Commissioner is hereby authorized to charge any required amount to our Deposit Account No. 19-0715 and notify us of the same.

Respectfully submitted,
